

POLICIES FOR GRADE 6 LANGUAGE ARTS

Sixth grade language arts class incorporates grammar, writing, literature, and vocabulary. Students meet each day for a 90 minute session. We will be reading novels and completing a variety of activities to assess their understanding of the novels. Students will visit the computer lab to enhance their learning and to practice technological skills.

Homework will be assigned daily. You can find the assignments listed on the teacher webpage. If you have any concerns, feel free to contact us.

Students will be using an English workbook, a vocabulary workbook, and a reading series workbook. Please feel free to peruse each book to get an idea of the topics that we will cover this year.

Have a great year and work hard to succeed.
